

INDEX TO VOLUME LVIII

SEPTEMBER 1964 — MAY 1965

The present Index exhibits separately (I) *Contributors*; (II) *Contents*, arranged with reference to the main types of material appearing in this periodical (Articles, Notes, Miscellanea; Reviews; Notes and News; Books Received; Special Departments); (III) *Subject Index*, in which an attempt has been made to classify this material according to the divisions employed in the standard annual bibliography of classical studies, J. Marouzeau and J. Ernst, *L'Année Philologique* (latest issue Vol. XXXIV [bibliography of 1963]; Paris: Les Belles Lettres, 1965); (IV) *Advertisers*.—Certain conventions, e.g.,

that of indicating reviewers by enclosing their names in parentheses immediately after the designation of books reviewed, will be familiar from earlier volumes. Reviews are regularly listed by name of *modern* author, editor, translator, etc. Thus, e.g., the edition of Diogenes Laertius, *Vitae Philosophorum* by H. S. Long (Oxford and New York: Oxford University Press, 1964; rev. at p. 141 by P. DeLacy) will be listed under 'Long' rather than 'Diogenes Laertius'. A page reference to the review will, however, appear in the Subject Index under 'Diogenes Laertius'.
